GUIDELINES FOR PROPOSALS TO DIRECT IN 2027

Thank you for considering directing a production at TheatreWorks in 2027.
You are welcome to submit more than one play, and in fact we would prefer a second option from you.

Ideally your proposal should include the following:

- Your name and contact details
- Relevant experience
- Details of the play(s):
  - title, playwright, royalty and copyright information (including copyright holder's contact details), a plot synopsis, cast requirements, set requirements
  - if an unpublished play, a sample scene (approx. 10 pages)
- A brief explanation of why this play appeals to you
- An overview of the treatment you would like to give this play
- Names and contact details of any production team members you would like to work with and whether you have approached them
- Preferred season dates, if any. Our two adult seasons will be **April** and **September** and the all-ages seasons are timed for the school holidays in **July** and **December**.

Please submit proposals by 31 July 2026 to info@mairangiplayers.co.nz
or mail to TheatreWorks, c/o 2/49A Lancaster Rd, Beach Haven, Auckland 0626.

Short-listed directors may be asked to present their proposal to a committee meeting. A final decision will be made within a few weeks of the above deadline.
